In re Patent No. 6,438,526
Issue Date: August 20, 2002
Application No. 09/277,771
Filed: March 29, 1999
Attorney Docket No. 27137.010200

ON PETITION

This is a decision on the petition under 37 CFR 1.378(c), filed March 4, 2011, to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

The petition is **DISMISSED**.

A petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2). This petition lacks item (1) above.

With respect to item (1): The statement of delay is not acceptable because the petition is not signed by all the inventors and the record fails to disclose that petitioner herein (Richard J. Heiston) was ever given a power of attorney to act on behalf of inventor Frederick T. Dykes, or that he is an assignee of the entire interest and has complied with the provisions of 37 CFR 3.73(b), the petition is considered to not contain a proper statement of unintentional delay.

Any petition for reconsideration of this decision must be accompanied by the petition fee of \$400 as set forth in 37 CFR 1.17(f). The petition for reconsideration must include the lacking item(s) noted below, since, after a decision on the petition for reconsideration, no further reconsideration or review of the matter will be undertaken by the Director.

If reconsideration of this decision is desired, a petition for reconsideration under 37 CFR 1.378(e) must be filed within TWO (2) MONTHS from the mail date of this decision. No extension of this two-month time limit can be granted under 37 CFR 1.136(a) or (b). This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

Further correspondence with respect to this matter should be addressed as follows:
